Manamaters. The Why of It.

THIS store appeals only to the intelligent self-interest of indi-

vidual purchasers—consumers. Being founded on fact the appeal is justified. United purchasing for the two great stores creates power for public service.

Notice a few witness-bearing truths:

Our first order for Dr. S. Weir Michell's last novel, Hugh Wynne, was for one thousand copies-all for retail sales exclusively in our

two stores.

Our buyers visit China, Japan, Turkey, India, Persia, regularly. They go to Europe by dozens. It may surprise you to know that the manager of our candy business makes regular trips to Europe that

he may gather novelties. A resident partner and a complete organization in Paris supply eyes by which our buyers see all the new European products.

Fancy Furniture

All through the autumn our Furniture sales have increased so rapidly as to overtax our facilities. Greater demands have evolved greater

Our Furniture stock to-day is the largest

we have shown in this store. We are better organized for Furniture

handling than ever before. Confident that these conditions are right we claim your attention.

Our stock is very rich in Parlor Cabinets, Curlo Tables, Women's Desks, Rockers, and every sort of Fancy Chairs.

Eighty-five styles of Parlor Cabinets. They include pleces from Vernis Martin and rich inlaid decorations; also a choice selection in mahogany. \$25 to \$265.

Two Hundred and Fifty styles of Women's Desks. They are made of all popular woods in the latest styles. Extremes of prices are \$3.50 and \$105.

Thirty-five styles of Curio Tables that are thoroughly up-to-date. \$25 to \$50.

Our entire stock of Holiday Furniture was contracted for in advance of the increased demand. Therefore the prices are very low-in harmony with our policy of keeping the interests of customers our first concern. Fourth floor.

Lace Curtains

Home makers who are new or refurnishing should ponder the following: We own under very special conditions a choice lot, just bought, of real French Honiton Lace Curtains in Renaissance designs—the work in which French peasants show such matchless skill. Ivory white. The prices are off nearly one-third.

One pattern at \$35, regularly \$50.
Two patterns at \$30, regularly \$40.
Two patterns at \$27, regularly \$35.
One pattern at \$25, regularly \$32.
Three patterns at \$20, regularly \$25.
Four patterns at \$17, regularly \$21.

Irish Point Lace Curtains cost less. Full lines of them, the latest patterns, are here at \$7, \$7.50, \$8.50, \$9 and \$9.50 a pair.

The Carpet Bargains

The lots were big—30,000 yards. It is not the policy of this business to exploit small lots. Worthy quantities or none. That's why there continues to be plenty to select from, even though the sale has been on four days.
